

GOLDEN-LEAF
VALVE MANUFACTURING

Hose Adapter Y Connector

we supply Golden-Leaf valve® Hose Adapter Y Connector high quality with 1 years Warranty. we devoted ourselves to brass garden valve many years, covering most of Europe and the Americas market. Our company have a mature operation team, large-scale production advantages, we can promise the fastest delivery time, also can promise direct to the customer's discharging port. We are expecting become your long term partner in china.....

Product Description

You can rest assured to buy customized Golden-Leaf valve® Hose Adapter Y Connector from us. We look forward to cooperating with you, if you want to know more, you can consult us now, we will reply to you in time!

Hose Adapter Y Connector

Product Introduction

This Golden-Leaf valve® Hose Adapter Y Connector was made up with Copper which is a kind of magenta luster metal, slightly hard, extremely tough, wear resistance, has a good ductility, good thermal conductivity, electrical conductivity and corrosion resistance. Copper and its alloys are stable in dry air. You can easy and simple use it. Brass gravity casting, one body forming, thickening material, not easy to explode and deformation, more durable. The sealing material of the product is polytetrafluoroethylene, silicone rubber and epdm rubber. The heat resistance of the system is up to 95°C ~ 115°C, which improves the heat resistance limit of the system and ensures the high temperature elasticity of the sealing material. Contact us for more details of brass garden valve! We devoted our selves to brass garden connector many years, covering most of Europe and the Americas market. We are expecting become your long-term partner in china.
